Re: D.T.E. 02-38

Dear Secretary Cottrell:

On June 8, 2005, the Department issued a request for comments on the revisions proposed by the Distributed Generation Interconnection Collaborative (“Collaborative”) to the Model Interconnection Tariff. As members of the Collaborative, Massachusetts Electric Company and Nantucket Electric Company support the recommended revisions, and have no further comments at this time. We would appreciate the opportunity, however, to provide the Department with comments at a later date in response to any comments that the Department may receive today on the proposed revisions.

Thank you very much for your time and attention to this matter.

Very truly yours,

A handwritten signature in black ink that reads "Amy G. Rabinowitz".
