Without limiting the foregoing, Participant shall indemnify and hold harmless each Covered Person against any and all Damages that may directly or indirectly arise out of or may be imposed because of the failure to comply with the provisions of applicable law by Participant or any of its agents, officers, directors, employees or subcontractors. 7. **Assignment and Subcontracting**

Participant shall not assign or in any way transfer any interest in this Agreement without the prior written consent of MassTech, including subcontracting any services except as otherwise included in the SOW attached hereto.

8. **Conflicts of Interest**

Participant acknowledges that all MassTech employees are subject to the Massachusetts Conflict of Interest statute, located at Mass. Gen. Laws ch. 268A.

9. **Record Keeping, Audit, and Inspection of Records**

Participant shall maintain books, records and other compilations of data pertaining to its activities under this Agreement to the extent and in such detail as shall properly substantiate claims for payment and Participant's performance of its duties under the Agreement. All such records shall be kept for a period of not less than seven (7) years or for such longer period as may be required by law (the "Retention Period"). The Retention Period starts on the first day after final payment under this Agreement is made. If any litigation, claim, negotiation, audit or other action involving the records is commenced prior to the expiration of the Retention Period, all records shall be retained until completion of the action and resolution of all issues resulting therefrom, or until the end of the Retention Period, whichever is later. MassTech, the Commonwealth and their respective duly authorized representatives or designees shall have the right at reasonable times and upon reasonable notice, to examine and copy the books, records, and other compilations of data of Participant which pertain to the provisions and requirements of the Agreement. Such access shall include on-site audits, reviews, and copying of records. If such audit reveals that any portion of the fees was utilized for purposes not permitted under this Agreement, then Participant shall refund to MassTech the amount determined by such audit within thirty (30) days of Participant's receipt of such audit and demand.

10. **Publicity**

Participant shall coordinate with MassTech on any press releases, events, signs and to plan for any news conference concerning work hereunder. In any media produced by Participant, Participant will not represent that positions taken or advanced by it represent the opinion or position of MassTech.

11. **Public Records**

a) As a public entity, MassTech is subject to the Massachusetts Public Records Law (set forth at Mass. Gen. Laws ch. 66) and thus documents and other materials made or received by MassTech and/or its employees are subject to public disclosure. All information received by MassTech shall be deemed to be subject to public disclosure, except as otherwise provided herein. It is MassTech's expectation that the overwhelming percentage of documents and information it receives does not contain any information that would qualify for an exemption from disclosure under the Massachusetts Public Records Law. Participants should take great care in determining which documents they submit to MassTech and should assume that all documents submitted to MassTech are subject to public disclosure without any prior notice to the Participant.

b) If Participant wishes to have MassTech treat certain information or documentation as confidential, Participant must submit a written request to the MassTech General Counsel that details the type of information and/or documentation that the Participant wishes to be treated as confidential along with a detailed explanation supporting the application of the statutory exemption(s) from the Public Records Law cited by Participant. Participant should not submit any information to MassTech that it does not want publically disclosed, but should provide enough detail about the information it requests to be treated as confidential so that the General Counsel can make a determination about the applicability of the asserted statutory exemption(s) from the Public Records Law cited by the Participant.

c) The MassTech General Counsel will issue a written determination within a reasonable period of time concerning the applicability of an exemption from disclosure under the Public Records Law. If the General Counsel determines that an exemption is applicable, the written determination will specify the method of submission of the confidential information. The MassTech General Counsel is the sole authority within MassTech for making determinations on the applicability and/or assertion of an exemption to the Public Records Law. No employee of MassTech other than the MassTech General Counsel has any authority to address issues concerning the status of "Sensitive Information" or to bind MassTech in any manner concerning MassTech's treatment and disclosure of such documents.

d) By signing this Agreement, Participant acknowledges, understands and agrees that the procedures set forth herein are applicable to any documents submitted by Participant to MassTech and that Participant shall be bound by these procedures and the determination of the MassTech General Counsel.

12. **Treatment of Sensitive Information provided by MassTech**

a) Participants, as well as other third parties interacting with MassTech (collectively, the "Holding Party") may receive, have access to or create confidential, proprietary or otherwise sensitive information regarding MassTech, its activities, its employees and/or third parties, such as applicants, consultants, grantees, recipients or respondents under MassTech programs, which information is not generally known by or disseminated to the public as a matter of course. Such information is sometimes referred to as "Sensitive Information." MassTech expects all Holding Parties to maintain the highest degree of professionalism, integrity and propriety with respect to Sensitive Information at all times. In addition, the Massachusetts Conflict of Interest Statute, M.G.L. Chapter 268A, prohibits current and former state employees (defined in the statute to include regular full-time and part-time employees, elected or appointed officials and independent Participants) from improperly disclosing certain categories of Sensitive Information or using it to further their personal interests, and the MA Fair Information Practices Act, Mass. Gen. Laws Chapter 66A, contains numerous legal requirements aimed at protecting "personal data" from improper disclosure.

b) MassTech's policy regarding a Holding Party's possession of Sensitive Information has two key elements: 1) Holding Parties should not request or accept any more Sensitive Information -- whether of a business or personal nature -- than is reasonably necessary under the circumstances; and 2) In the absence of a specific legal requirement compelling disclosure of Sensitive Information in a particular instance, all Holding Parties are expected to take appropriate measures to safeguard such information from improper use and disclosure.

c) Because the relevant legal requirements and the nature and scope of the information in question can create uncertainty, Holding Parties are urged to confer with MassTech's General

Counsel if they have any questions about confidentiality, the scope or proper treatment of Sensitive Information, or MassTech's policies with respect to such topics. It should be noted that the obligations under these policies continue even after this Agreement is terminated.

13. **Choice of Law**

This Agreement shall be construed under, and governed by, the laws of the Commonwealth of Massachusetts, without giving effect to its conflict of laws principles. The Participant agrees to bring any Federal or State legal proceedings arising hereunder in which the Commonwealth or MassTech is a party in a court of competent jurisdiction within the Commonwealth of Massachusetts. This Section shall not be construed to limit any other legal rights of the parties.

14. **Force Majeure**

Neither party shall be liable to the other, or be deemed to be in breach of this Agreement for any failure or delay in rendering performance arising out of causes beyond its reasonable control and without its fault or negligence. Such causes may include, but are not limited to, acts of God or of a public enemy, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or unusually severe weather. Dates or times of performance including the Term may be extended to account for delays excused by this Section, provided that the party whose performance is affected notifies the other promptly of the existence and nature of such delay.

15. **Amendments and Waivers**

The terms of this Agreement and any attachments thereto can be amended only through a written document executed by both Parties. Conditions, covenants, duties and obligations contained herein may be waived only by written agreement between the parties. Forbearance or indulgence in any form or manner by a party shall not be construed as a waiver, nor in any way limit the remedies available to that party.

16. **Severability**

Each provision of this Agreement shall be treated as a separate and independent clause and any decision from a court of competent jurisdiction to the effect that any clause or provision of this Agreement is null or unenforceable shall in no way impair the validity, power or enforceability of any other clause or provision of this Agreement.

17. **Headings**

The headings and captions of the various subdivisions of this Agreement are for convenience of reference only and will in no way modify or affect the meaning or construction of any of the terms or provisions hereof.

18. **Counterparts**

This Agreement may be executed in two or more counterparts, and by different parties hereto on separate counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

19. **Entire Agreement, Amendments and Attachments**

The parties understand and agree that this Agreement and its attachments supersedes all other verbal and written agreements and negotiations by the parties regarding the matters set forth herein, and can only be amended by written agreement of the parties. The following, including without limitation any schedules, milestones, deliverables, budgets, and other terms relative to the nature of the work to be performed, are attached and incorporated into this Agreement:

Participant is solely responsible for all project decisions, the preparation of all plans and specifications, and for developing the project in accordance with the Project Plan. If Participant believes it will be unable to comply with any material element of this Agreement, including Attachment A (“Project Plan, Deliverables and Schedule”) or Attachment B (“Budget & Rates/Invoice Template”), Participant shall provide written notice to the MassTech Project Manager (electronic mail acceptable) as soon as is practicable. MassTech and the Participant will then work in good faith to reach an appropriate resolution.
- b) *Deliverables*. Participant shall provide the MassTech Project Manager with the deliverables set forth in the Project Plan (the “Deliverables”).
- c) *Schedule*. The parties acknowledge that the dates listed in the schedule in the Project Plan are estimates and subject to change. #### 2. Project Personnel

Both MassTech and Participant have designated the following persons to serve as Project Manager to support effective communication between MassTech and the Participant and to report on the work’s progress. Each party will endeavor to maintain the continuity of its respective project personnel.

Participant Contact for Invoicing Matters: Name, Email and Phone

Written notice shall be provided to personnel at the email addresses set forth in this Section 2 in the event of any change in Project Personnel.

#### 3. The Grant

For an award granted pursuant to Mass. Gen. Laws ch. 40J, § 4G, and as full compensation for MassTech’s share of the costs for the performance of all work and in respect of all other direct and indirect costs, charges or expenses incurred in connection therewith, MassTech shall pay to the Participant a maximum amount of [WRITE OUT AMOUNT] Dollars (\$ ICMContractAmount ) for the cost elements identified in the Project Budget to be funded with MassTech funds, subject to the provisions and restrictions contained herein. In executing this SOW, Participant acknowledges and agrees that its receipt of the Grant does not create any rights of preference for Participant to receive subsequent funding from MassTech, and the release of Grant funding by Mass Tech is subject to Mass Tech’s receipt of capital funding for this project from the Commonwealth of Massachusetts in sufficient amounts to reimburse Grantee for eligible expenses.

#### 4. Other Requirements <Adjust as applicable>

- a) *Program Evaluation*. The Participant agrees to support MassTech’s program evaluation activities, and MassTech’s goal to disseminate information regarding Participant’s experiences. To this end, the Participant agrees that its key personnel and contractors working on the project will be available at reasonable times with advance notice to be interviewed by MassTech or its authorized representatives for purposes of program evaluation or case study development.

- b) *Cost Reimbursement.* The Participant shall be compensated on a cost-reimbursement basis for actual direct costs incurred in the performance of the Project Plan.
- c) *Required Match.* As a condition of the Grant, Participant is required to provide matching funds for the costs incurred in the performance of the project (the "Required Match").
  - i. *Match Ratio:* Participant must match MassTech funds at a \_\_\_ : \_\_\_ ratio, expended ratably with the reimbursable costs. Participant's total match contribution shall be a minimum of [WRITE OUT AMOUNT] Dollars (\$X).
  - ii. *Acceptable Forms and Source of Match:* The required match may be either an actual expenditure or an in-kind contribution. In-kind contributions are typically in the form of labor, services, software licenses, and equipment. Actual expenditures shall be recognized in conformance with the Generally Accepted Accounting Principles. Match funds may be from the Participant or third parties, to the extent the funds are not sourced by, or considered discretionary funds under the control of, a state agency, as defined in Mass. Gen. Laws ch. 6, § 39.
  - iii. *Carry Forward:* Unmatched expenses shall remain unpaid and will be carried forward to future periods for payment, once match is met. Any unmatched expenses shall be subject to the Match Ratio in effect at the time the expenses were incurred. To the extent there is match met, over and above the required ratio, those amounts may be carried forward to match future expenses.
  - iv. *Match Documentation:* Participant shall document the Required Match on each invoice submitted to MassTech as set forth in Section 5, Payments and Invoices, below, which must be accompanied by the Invoice Certification Form in Attachment C. Payment is specifically contingent on MassTech's approval of the form and amount of the Required Match.
- d) *Governing board.* Participant agrees that it will convene a governing board to provide guidance and expertise regarding certain activities related to the project. MassTech shall have a designated seat on the governing board. The additional composition of the governing board, and the scope of its responsibilities are described in more detail in Attachment A.

## 5. Payments and Invoices

The Participant shall follow Generally Accepted Accounting Principles ("GAAP") as well as any applicable accounting standards related to the Participant's receipt of other federal or state funds.

- a) *Allowable Charges.*
  - i. Capitalized Costs. All reimbursed costs must be considered actual capital costs and be capitalized as such on Participant's books. The costs incurred must be in the performance of the Project Plan and specified on a line item of the Project Budget, as follows:
    1. Capitalized Equipment, Land and Buildings: capital assets purchased in accordance with the Project Budget.
    2. Capitalized Labor: services performed by Participant's employees that are deemed to be capitalizable under the terms of this SOW, at the actual Annual Base Salary and Percent Effort for each employee or the percent effort set forth in the Project Budget for the position, whichever is less.
    3. Capital Fringe: Benefits related to direct labor costs, can either be incurred as a direct expense or an allocated cost with an approved rate, but must be deemed capitalizable. Documentation of Participant approved rates should be submitted at the time of proposal.
    4. Capitalized Subcontractors/Consultants: capital services provided by Participant's subcontractors/consultants at the actual cost paid for project services which shall not exceed the amount set forth in the Project Budget.

5. Capitalized Materials: the cost of capitalized materials purchased which shall not exceed the amounts set forth in the Project Budget;
6. Other Capitalized Costs: the cost of capital items purchased or capital costs incurred which shall not exceed the amounts set forth in the Project Budget; and
  - ii. Capitalized Indirect Costs. The Participant shall be reimbursed for such capitalized indirect costs (e.g., General and Administrative Overhead) at their government-approved rate. Participant shall include evidence of their approved indirect cost rate with its first invoice, if not previously provided. If the Participant's indirect cost rate changes in any future years, Participant will provide evidence of the approval of such change with the next applicable invoice.
- b) Budget Adjustments. The foregoing notwithstanding, the parties acknowledge that the costs listed in the Project Budget are estimated. Therefore, Participant may shift funds between the line items associated with each category provided that the totals for each category as set forth in the Project Budget are not exceeded. Any variance between budget categories or other budget modifications will be reviewed in accordance with MassTech's Budget Guidelines in effect at the time. Any budget adjustments impacting the funding to be paid by MassTech must always be for eligible capital expenses incurred by the Participant.
- c) Payment Terms. MassTech shall pay the Participant within thirty (30) days after receipt of invoice and determination by MassTech that all proper documentation has been provided, unless MassTech should determine that any such payment or any part thereof is otherwise not properly payable pursuant to the terms of this SOW. Payment is contingent upon performance of the work, and submission of deliverables as specified in Attachment A.
- d) Invoices/Payment Schedule
  - i. Invoices shall be addressed to MassTech personnel identified in Section 2, Project Personnel, of this SOW.
  - ii. Invoices shall be submitted using the Invoice Template included with the contract and must include an explanation for any variances to the contract budget on the supporting schedule.

The invoice must include the signed Invoice Certification form, Attachment C, signed by an authorized representative of the participant.
  - iii. Participant may submit invoices for payment quarterly **<(OR monthly OR upon completion of each milestone and submission of each milestone briefing)>**. Invoices shall provide reasonable documentation including system-generated detailed activity reports showing income and expenses to provide evidence of costs incurred for both the costs for which reimbursement is being requested and the required match. Additional supporting documentation to support costs may be requested by MassTech from time to time and may include:
    1. Equipment, Land, Buildings: copies of invoices for the purchase of construction of capital assets;
    2. Capital Labor: for each employee, the name, title, and number of hours worked or, if supported by an appropriate allocation methodology, the percentage of effort expended;
    3. Capital Subcontractors/Consultants: copies of invoices for such subcontractors/consultants which have been reviewed and approved by Participant prior to submission to MassTech;
    4. Other Capital Costs: all costs shall be itemized on the invoice and supported by documentation such as vendor invoices, receipts or other documentation as required by MassTech.
    5. Other Non-Capital Match Costs: all costs shall be itemized on the invoice and supported by documentation such as vendor invoices, receipts or other documentation as required by MassTech.

6. *Matching Funds*: all matching funds expensed during the invoice period must be supported and documented in a format similar to that listed above and as deemed acceptable to MassTech. For third party cash contributions not yet expended, grantee must provide a contribution letter and documentation of receipt of funds. The contribution letter must indicate the intended purpose of the funds. Documentation of the income may be achieved with either a copy of the check or a system-generated report showing the income of cash received. Expenditure of the cash contribution, will be required as part of subsequent invoice documentation up to the cash amounts approved.

7. **Access and Use**

Participant agrees to license or otherwise make available to MassTech in perpetuity, without charge, all materials prepared and produced for the project, including, without limitation, all plans, specifications and analyses developed in connection with the project for MassTech's use and dissemination. Participant agrees that MassTech shall have the right to make use of and disseminate, in whole or in part, all work products, reports, and other information produced in the course of the project, and to use the information therein contained to produce summaries, case studies or similar information resources.

8. **Lobbying**

No Grant funds may be used to pay for or otherwise support any activities intended to influence any matter pending before the Massachusetts General Court or for activities covered by the law and regulations governing "legislative agents" or "executive agents" set forth in the Massachusetts Lobbying Law, Mass. Gen. Laws ch. 3, §39.

9. **Amendments and Attachments**

I hereby attest that the expenses reported and the attached associated supporting documentation for which we are seeking reimbursement:

- Have been recognized on Participant's books and recorded as a capital expenditure;
- Are allowable under and consistent with the terms and conditions of the Agreement and approved project budget;
- Are reasonable and appropriately allocated to the project; and
- Are not reimbursed by any other funding source

I further attest that amounts submitted as match, and documented in the attached supporting materials are:

- Allowable under, and consistent with the terms and conditions of the Agreement and approved project budget;
- Accurately recorded and valued and have been expended (or, in the case of equipment or materials contributed by third parties, received) by Participant in direct support of the project funded by MassTech; or in the case of unexpended cash, the funds have been received and will be expended in direct support of the project during the grant period and will be documented in a future invoice;
- Not counted as match under any other award; and
